Donation

Drop-In Center Contributions: The Drop-In Center provides social & recreational opportunities to people of all ages who have intellectual or developmental disabilities. Through your donations, and our fundraisers, we are currently providing most all of these activities free of charge and open to the public.

Special Fund Contribution: Donations to the Special Fund are used for client needs that can't be met through other sources. For example, these funds have been used to: purchase glasses and dentures; for athletic shoes or equipment; for prom dresses, and to pay for camp.

Checks for contributions to either of these projects should be made payable to Diversified Family Services, with the intended purpose listed on the Memo line.
